EXTERIOR:

New paint was completed by Elliott Aviation in 2014.

Upper fuselage and wings are White with lower fuselage painted Black and complimented with Black, Gold, Silver and Burgundy accent stripes.

INTERIOR:

Full interior refurbishment, including woodwork, was completed by Elliott Aviation in 2014.

The 7-passenger interior features a 4-place center club configuration and 2 seats located aft facing forward. All seating is completed in beige leather. The aft lavatory includes a belted flushing toilet. Cabin furnishings include an extended right-hand forward refreshment center and dual executive tables. All cabinetry is completed in a dark high gloss veneer with brushed aluminum hardware.

A B&D cabin information display system includes moving maps and flight data that is displayed on an 8.5" LCD video monitor located on the forward left-hand bulkhead. Cabin electrical outlets provide power for laptops, mobile devices, etc. Communications include an Aircell ST-3100 Iridium satellite phone with one handset in the main cabin and one handset in the cockpit.

NOTE: *Specifications subject to verification upon inspection.*
